# Vocalbums for companies

# Expand your voice bank

We are not a typical voice bank. We are an extension of your own voice bank.

With your BUSINESS account you can considerably expand your own voice bank and give your clients a wider range of options.

Contact the professionals, download their audios and add them to your own system.

- The graph shows the number of voice professionals with a Vocalbums account as of February 16, 2022.

# The agile voice search engine for finding the **perfect talent**

On Vocalbums you will quickly find professional voice talent for your projects. Choose the perfect cast, according to the criteria you need and at zero cost. Reduce your investment in time and money.

# The PRO Finder

The Pro Finder is an exclusive feature for BUSINESS accounts. Its interface is designed to streamline both the search process for voice professionals and the delivery process.

## Filters

---

Apply filters to your search. Filter by city, country, age, gender, voice type, language and more.

## Voice samples

---

Listen and download the different voice samples of each of the Vocalbums professionals.

## Actions

---

Perform actions such as adding a professional to a casting, adding them to your favorites list or contacting them.

## Data

---

You will be able to see all the relevant data of each artist from the same interface.

# Castings

With your BUSINESS account you will be able to create, manage and share castings for your audiovisual projects.

## Create

Add a name, an alias, the interventions or characters to cast, set up privacy and create the casting in less than a minute.

## Share

Share your castings with the rest of your team or with your clients. Whether they can simply view the casting or even edit it, it's your choice.

## Add

Add one or more artists to each of the interventions or characters of each casting. You can also add artists who are not on Vocalbums.

## Link

Generates a link (password protected or not) so that anyone can view the casting.

# The Outsiders

**Want to add a professional who is not on Vocalbums to a casting?**

Create as many outsiders as you want, add a name and voice samples, and you can add professionals who are not yet part of Vocalbums to your castings.

# Get your community involved!

## Socail casting

---

Create social castings where your own community can choose the artist who will voice each of the interventions or characters.

## Public registration

---

Give members of your own community the opportunity to participate in your castings.

# Shall we collaborate?

BRINGS VALUE TO VOCALBUMS ARTISTS

With the sole purpose of bringing value to our artists, we can do everything.

Do you want to add them to your own voice bank? Do you want to make yourself known? Do you need a lot of voices? Do you want to communicate something? Whatever it is, if it brings value, we will spread it for you.

- When a company wants to communicate something that can bring value to our artists, we take care of communicating it via email and/or internal notification.
